SUMMARY

I have strong expertise in Flutter for mobile app development and .NET for backend solutions, with a proven ability to build efficient, user-focused applications that prioritize performance and scalability. I hold a Bachelor of Computer Science, further strengthening my technical foundation.

WORK EXPERIENCE

Maamoul – Saudi Arabia

Mobile App developer | Remote   **Nov 2024 – Present**
- Developed cross-platform mobile and web applications using Flutter and Dart.
- Implemented efficient state management and integrated APIs for seamless functionality.
- Collaborated within agile teams to deliver tasks on time while ensuring optimal performance and user experience.

Al-Qalaa Al-hijazya Schools – Saudi Arabia

Teacher | Full-time   **Nov 2024 – Present**
- Taught computer science and related subjects to students, focusing on practical and theoretical concepts.
- Mentored students in project-based learning and fostered critical thinking skills.

PROJECTS

SHAGHAF

Mobile App   **2024**
- An app that links workshop providers with their target audience, allowing users to book workshops directly.
- Utilized technologies including Dart, Flutter, Supabase, and some packages like BLoC and http for API requests.

FAMILY WALLET

University Graduation Project   **2024**
- A blockchain-based Flutter application that allows parents to create cryptocurrency wallets for their families.
- Utilized technologies including Solidity, Dart, JavaScript, Truffle, Flutter, Infura, and Supabase.

LAP SHOP

Asp.Net Core Website   **2023**
- Implemented core features including user authentication, product catalog and shopping cart.
- Utilized Entity Framework Core for database interactions, ensuring smooth data operations and consistency.

EDUCATION

Taibah University | Saudi Arabia

Bachelor's in computer science | GPA 4.32/5 with Second Honor Degree.   **2019-2024**

COURSES AND CERTIFICATIONS

Principles of UX/UI Design | Meta | Apr 2023

JavaScript | IT LEGEND | Jun 2023

Version Control | Meta | Apr 2023

Web Development with Asp.Net Core | IT LEGEND | Oct 2023

C# Advanced | IT LEGEND | May 2023

McKinsey Forward Program | McKinsey & Company | Apr 2024

Sql Server Database | IT LEGEND | Jun 2023

Flutter Developer Bootcamp | Tuwaiq Academy | Nov 2024

SKILLS

- **Technical Skills:** Dart, Flutter, C#, .NET Core, SQL, JavaScript, HTML5, CSS3, Git, GitHub.
- **Soft Skills:** Problem Solving, Communication, Time Management, Teamwork, Adaptability.
- **Languages:** Arabic / Native - English / Professional (Standardized Test of English Proficiency - STEP Score: 83).
